re: 12/19/63 Brennan to Sullivan
Caption: Relations With Central Intelligence Agency (CIA)

unrecorded denial, section 47, 105-82555
There is a file number on the original on the right margin that begins with 62-_____ and the denial number is most likely 4185. I can not find the original in either 62-109060 or 62-109090. If the original is indexed under the caption, which is most likely, the FBI probably has a 62 file on its relations with the CIA.
